**MVC/STABILITY/2022/259**

March 31, 2022.

**TO WHOMSOEVER IT MAY CONCERN**

Name of the Structure : Ram Ratna Vidya Mandir, Keshav Srushti, Bhayander west, Thane.

Address of Structure : Ram Ratna Vidya Mandir, Keshav Srushti, Bhayander west, Thane.

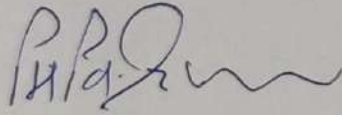

Type of Structure : Ground + 3 story RCC frame structure.

I have inspected the above mentioned school building on 30.3.2022. It is a RCC structure consisting of Ground and 3 upper floors.

After inspecting the structure I am of the opinion that the school building is structurally safe and stable to conduct the educational activities for the period from 31.3.2022 to 30.3.2025.

Thanking you.
